

## EÖTVÖS LORÁND UNIVERSITY (ELTE) EXPRESSION OF INTEREST

### IN SEEKING PARTNERS IN DEEPENING AND WIDENING EUROPEAN RESEARCH AND INNOVATION THROUGH GENDER EQUALITY

**HORIZON-WIDERA-2022-ERA-01-81: Support to the implementation of inclusive gender equality plans**

**Deadline of the call:** 20 April 2022

**Partner information:**

<b>Country</b>	HUNGARY
<b>Name of the Organizations</b>	Eötvös Loránd University (ELTE)
<b>Type of Organization</b>	Academic
<b>Short Description</b>	<p>ELTE University developed its Gender Equality Plan (GEP) in 2021 which aimed at institutional change implemented through gender equality plan. ELTE is seeking academic, research institute, civil society and economic (R&amp;I) partners to deepen the objectives of the GEP and identifying and breaking down persisting structural barriers in R&amp;I institutions. The project scheme aims to strengthen and go beyond the minimum requirements for a GEP, and to support the implementation of inclusive GEPs in line with the new ERA Communication and gender equality objectives.</p> <p>The planned actions aim at boosting gender equality strategies, including new areas such as intersectionality and diversity, outreach beyond the organization, gender budgeting, or gender and innovation among others, building on knowledge and expertise developed through related Horizon 2020 projects and tools (e.g., GEAR Tool, ACT Communities of practice).</p> <p>In the framework of this call, ELTE is seeking advanced organizations which could mentor on best practices, processes, monitoring, and actions to undertake in the inclusive GEPs. Also, we are seeking partners who developed recently GEP who have similar widening and deepening needs in respect of gender equality.</p> <p>Therefore, ELTE is ready to join an already organized project scheme as partner..</p>
